The Cambridge IGCSE® Combined and Co-ordinated Sciences series is tailored to the 0653 and 0654 syllabuses for first examination in 2019, and all components of the series are endorsed by Cambridge International Examinations. Cambridge IGCSE® Combined and Co-ordinated Sciences Coursebook is tailored to the 0653 and 0654 syllabuses for first examination in 2019 and is endorsed for full syllabus coverage by Cambridge International Examinations. This interdisciplinary coursebook comprehensively covers the knowledge and skills required in these courses, with the different syllabuses clearly identified. Engaging activities in every chapter help students develop practical and investigative skills while end-of-chapter questions help to track their progress. The accompanying CD-ROM contains self-assessment checklists for making drawings, constructing and completing results tables, drawing graphs and designing experiments; answers to all the end-of-chapter questions and auto-marked multiple-choice self tests.

The most comprehensive match to the new 2014 Chemistry syllabus, this completely revised edition gives you unrivalled support for the new concept-based approach, the Nature of science. The only DP Chemistry resource that includes support directly from the IB, focused exam practice, TOK links and real-life applications drive achievement.

A young reporter on assignment is attacked and bitten by an unknown beast in rural Northern California and begins a terrifying but seductive transformation into a being with a dual nature, both man and wolf.  
  
Comprehensive student-friendly resources designed for teaching Cambridge International AS and A Level English Language (syllabus 9093 for first examination in 2015). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language. They will build the skills needed for assessment through frequent activities. Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these conventions in their own work.

5 full tests fully aligned with the revised Cambridge IGCSE First Language English 2020 syllabus. Ideal for use in the final year of the Cambridge IGCSE First Language English course, this book provides scaffolded support for students approaching the examination. The book contains five full examination papers organised by task type, accompanied by model and sample responses, mark schemes, examiner grades and comments, learning and exam strategy training, and examiner tips.  
  
Offers clear, practical support for students for the CIE syllabus The teachers workbook goes alongside the pupil book. Written by an experienced IGCSE teacher and CIE teacher trainer, English as a Second Language offers clear, practical support for students. Endorsed by the University of Cambridge International Examinations for use with the syllabus, It is divided into succinct units based on the skill areas of the IGCSE examination. The units adopt a lively approach to the subject, utilising a diverse range of stimulus material. They also include imaginative and stimulating exercises designed to build confidence and develop the skills needed to succeed in the examination. A students workbook is also available.

This revised set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. Written by experienced authors, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; and case studies contextualise the content making it relevant to international learners. It provides thorough examination support for all papers with exam-style questions with each chapter and an extensive Paper 3 style case study with each unit. The student CD-ROM contains revision aids, further questions and activities. A Teacher's CD-ROM is also available.

A complete ICT course for children from five years of age.  
  
This fresh set of resources for Cambridge IGCSE Sociology syllabus 0495 (and Cambridge O Level Sociology syllabus 2251) is carefully crafted to match and support the revised syllabus for first examination in 2016. Written in clear and accessible language, the Coursebook provides comprehensive coverage of the syllabus in a visually-stimulating format. Key sociological research combined with case studies and thought provoking questions help in understanding concepts. Features such as Key terms and Revision checklists further reinforce learning and understanding of core subject areas. Engaging activities help in applying knowledge in various contexts and building interpretation, analytical and evaluation skills. The book provides complete exam support with each chapter culminating in exam-style questions and a further chapter dedicated to revision, and examination skills and practice. A Teachers CD-ROM is also available.
