TBR Challenge 2011: General category This book has been on my TBR list since Dec. 2010. 3.5* Sarah Mayberry is an excellent writer and Anything for You is another success. Unfortunately, the plotting suffers because of the emphasis on sex scenes in the Harlequin Blaze line.

Anything for You by Sarah Mayberry is a contemporary romance novel. It is the first book in the "Anything for You" series. The story follows Sam Kirk, a successful businessman, and Delaney Michaels, a beautiful woman who has just moved to his town. They meet and fall in love, but their relationship is complicated by Sam's past and Delaney's secrets. The book is a fast-paced, engaging read that explores themes of love, trust, and redemption.

Since when was his best friend this hot? The world according to Sam Kirk has just turned upside down. His best friend and business partner, Delaney Michaels, has returned from vacation a new woman. . . . a gorgeous, hot new woman. Suddenly Sam is thinking entirely inappropriate thoughts about his buddy. Worse, with Delaney's changed look, she's abandoning their friendship in pursuit of the picket-fence dream. It's a nightmare come true. Then one night finds them tangling in the sheets. It should feel wrong, wrong, wrong. . . . instead, it feels very right. And now Sam knows exactly what he'd do to keep his best friend: absolutely anything.

Something more than friendship Being a single dad was never on Michael Young's agenda. Yet with the sudden loss of his wife, that's exactly the role he has. On his best days, he thinks he can handle it. On his worst... Luckily, family friend Angie Bartlett has his back, easily stepping in to help out. Lately, though, something has changed. Michael is noticing exactly how gorgeous Angie is, and how single she is. She's constantly in his thoughts and he feels an attraction he never expected. Does he dare disrupt the very good thing they have going? If they have a fling that goes nowhere, he stands to lose everything— including her. But if they make it work, he stands to gain everything!

He's everything she despises—a babe magnet with more notches on his belt than a millipede has legs.

A new meaning for office politics Audrey Mathews has worked hard to get here. Now she's up for a promotion and nothing will stand in her way—including Zach Black. He's hot, smart and the competition. When they're assigned to the same project, she's shocked at how much she actually likes about him...and how much she misjudged him. Before long Audrey is seriously falling for Zach—and indulging in an affair that's against company policy. And the stakes rise when it's clear only one of them can get ahead. So where do they draw the line between competition and love? Especially when she doesn't want to lose either the promotion or the guy....

From bed to baby to...bliss? A chance encounter. A steamy night together. That's all Rhys Walker signs on for when Charlotte "Charlie" Long sashays across his path. Sure, maybe he catches a glimpse of forever in her eyes. But the brush-off note the gorgeous brunette leaves the next morning says it all, doesn't it? Time to move on. Rhys never expects that moving on actually means reconnecting with Charlie. Or that her big news changes everything. Becoming a father now, under these circumstances, never factored into his plans. Yet he's not as upset as he thought. Because now he has the opportunity to explore that glimpse of forever...and turn it into reality.

By New York Times bestseller Sarah Mayberry and USA Today bestseller Sarina Bowen The first time I lay eyes on Callan Walker, I know he'll be trouble. With his smug grin, hot Aussie accent and thousand dollar shoes, he's just the kind of rich guy who always gets what he wants. And he wants two things: a night of sin, and my cooperation as he outmaneuvers his powerful mother to take control of his uncle's estate. I can't afford either one. I'm the only thing standing between my little sister and the foster care system. He may have money and charm on his side, but I have something even more powerful — pure desperation. This temp job at his mother's company can become a full time job for me. It has to. But when Callan's eyes rake over my body, sometimes I forget my obligations. His piercing gaze finds the fun, optimistic girl I used to be and not the tired person I've become. And it works—if only for a moment. Our night together was a mistake. I can't afford to get sucked into his high-powered family's treachery. But the closer I get to Callan, the more layers I find beneath those expensive clothes. Though I can't forget this is temporary. He's temporary. I have too much to lose. Too bad my foolish heart didn't get the memo... **** Perfect for fans of: billionaire romance, Carly Phillips, Vi Keeland, Penelope Ward, Meghan March, Elle Kennedy, Kendall Ryan, and Lauren Blakely.
