The director of a racehorse-adoption ranch, which has saved more than 600 horses from the slaughterhouse, offers an inside look at the world of horseracing--complete with colorful horses, jockeys, trainers and gallop girls--that depicts the insight horses and other animals can offer when people re-evaluate their relationship with them.

In this inspirational call to action, Marc Bekoff, the world ' s leading expert on animal emotions, gently shows that improving our treatment of animals is a matter of rethinking our many daily decisions and “ expanding our compassion footprint. ” He demonstrates that animals experience a rich range of emotions, including empathy and compassion, and that they clearly know right from wrong. Driven by moral imperatives and pressing environmental realities, Bekoff offers six compelling reasons for changing the way we treat animals — whether they ' re in factory farms, labs, circuses, or our vanishing wilderness. The result is a well-researched, informative guide that will change animal and human lives for the better.

Publius Papinius Statius lived from the 40s to the mid-90s C.E. Born in Naples, he was the son of a professional poet and teacher. In his teens he moved to Rome, and there, some years later, he embarked on his own career in poetry. Published near the end of his life, the *Silvae* is a collection of witty and engaging occasional poems, but beyond their verbal artistry lies their importance as social documents, contemporary witnesses to the Roman world during the reign of Domitian. The poems open a literary window on the material culture of the age and provide valuable insight into the lives of the Roman elite. Betty Rose Nagle's graceful translation brings the world of Statius alive, making accessible this important literary gem. Her Introduction

Here she presents a vivid inside look into the world of horse racing, complete with colorful horses, jockeys, trainers, and gallop girls, beautifully depicting the insights horses can offer when we reevaluate our relationship with them.

In *To Live Is Christ*, best-selling author Beth Moore travels on a spiritual odyssey through the life of one of Christianity's most fervent journeymen, the apostle Paul, tracing his story from childhood to martyrdom. Proclaiming his faith as a benchmark in New Testament Scripture, Beth writes, "I have accepted many of Paul's words as a personal challenge. 'I want to know Christ' has become my plea. 'To live is Christ and to die is gain' has become my hope. And to borrow his words once more, 'Not that I have already obtained all this . . . but I press on.' " Paul's undying passion for Christ continues to inspire and challenge those with a deep spiritual hunger for the things of God. Readers will be greatly refreshed by the obvious mercy of God that causes those who have failed him to repent and serve him wholeheartedly and effectively.
