The Tenth Edition explains how these new realities impact/benefit an organization, and that organizational behavior is not just for managers, but is relevant to all who work in and around organizations. Canadian Organizational Behaviour has developed a reputation for its solid foundation of contemporary and classic research and writing.

The Seventh Edition of Canadian Organizational Behaviour is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. Canadian Organizational Behaviour continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.

Note : You are purchasing a standalone product; MyLab Management does not come packaged with this content. Students, if interested in purchasing this title with MyLab Management, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Organizational Behaviour, Eighth Canadian edition, is truly a Canadian product. While it draws upon the strongest aspects of its American cousin, it expresses its own vision and voice. It provides the context for understanding organizational behaviour (OB) in the Canadian workplace and highlights the many Canadian contributions to the field. Subject matter reflects the broad multicultural flavour of Canada and also highlights the roles of women and visible minorities in the workplace. Examples reflect the broad range of organizations in Canada: large, small, public and private sector, unionized and non-unionized. Organizational Behavior, 8e by McShane / Von Glinow helps everyone make sense of Organizational Behavior, and provides the conceptual tools to work more effectively in the workplace. This author duo continue the trailblazing innovations that made the previous editions of Organizational Behavior recognized and adopted by the new generation organizational behavior instructor. The McShane and Von Glinow product is acclaimed for: Readability, presentation of current knowledge Linking OB concepts and theories with reality Strong International / Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy OB knowledge is for everyone, not just traditional managers. Organizational Behavior, 8e is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

Delivering what we've come to expect from this author team, McShane/Von Glinow 5e helps everyone make sense of OB, and provides the conceptual tools to work more effectively in the workplace. In their new Fifth Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. McShane and Von Glinow 5e is acclaimed for: Readability, presentation of current knowledge Strong International/Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy-OB knowledge is for everyone, not just traditional managers. Reality is that everyone: sales representatives, production employees, physicians – needs OB knowledge to successfully thrive in and around organizations. The authors' ability to engage students by introducing cutting edge OB topics while providing relevancy to OB concepts through the "linking theory with reality" approach, is the reason OB 5e remains unparalleled in it's ability to engage students. Hundreds of fascinating real-life stories captured from around the world, "Linking Theory with Reality", remains one of the text's key, hearty features. The first to bring OB cutting edge topics, OB 5e continues introducing students to the present and future context of emerging workplace realities: social networks and virtual teams replacing committee meetings, knowledge replacing infrastructure, values and self-leadership replacing command-and-control management; companies looking for employees with emotional intelligence and team competencies, not just technical smarts. Diversity and globalization have become challenges as well as competitive opportunities for organizations. Coworkers aren't just down the hall; they're at the other end of an Internet connection located around the world, and much, much, more.

Delivering what we've come to expect from this author team, McShane/Von Glinow 6e helps everyone make sense of OB, and provides the conceptual tools to work more effectively in the workplace. In their new Sixth Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of Organizational Behavior recognized and adopted by the new generation of organizational behavior (OB) instructors. The McShane and Von Glinow text is acclaimed for: • Readability, presentation of current knowledge • Linking OB concepts and theories with reality • Strong International/Global orientation • Contemporary Theory Foundation (without the jargon) • Active Learning and Critical Thinking Support • Textbook's philosophy-OB knowledge is for everyone, not just traditional managers. Organizational Behavior, Sixth Edition is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

Organizational Behavior in Sport Management provides numerous real-life examples from organizations and immerses students in the key behavioral issues that those in sport organizations face today. The text comes with an instructor guide that offers many useful tools to help instructors enhance students' learning.

Organizational Behavior [Essentials] 2e offers the same quality of contemporary knowledge, excellent readability, and classroom support that has made the hardback book by the same author team one of the best-selling OB books around the world - but in a smaller package. It applies four fundamental principles: linking theory with reality, organizational behavior for everyone, contemporary theory foundation, and active learning support. McShane and Von Glinow have sliced out the extended or secondary topics so students can drill down to what is really essential. Although this book is less than two-thirds the length of their comprehensive hardback textbook, it doesn't skip on classroom support. In this era of active learning, critical thinking, and outcomes-based teaching, these supplements are becoming more "essential" than ever.

"Welcome to the eleventh edition of Organizational Behaviour: Understanding and Managing Life at Work! This edition marks the 33rd anniversary of the text, which has been rigorously updated over the years to present students with the latest knowledge and research on both the science and practice of organizational behaviour. First published in 1983, Organizational Behaviour is the longest-running, continuously published, and regularly revised organizational behaviour textbook authored in Canada."
