Ken is co-author of Financial and Managerial Accounting, Managerial Accounting, and College Accounting, all published by McGraw-Hill Education. JOHN J. WILD is a distinguished professor of accounting at the University of Wisconsin at Madison. He previously held appointments at Michigan State University and the University of Manchester in England.

Needles/Powers/Crosson delivers interactive pedagogy by illustrating accounting principles and real-world examples to encourage critical thinking. This revision is based on an understanding of the nature, culture, and motivations of today's students and on extensive feedback from instructors. These substantial changes meet the needs of students, who not only face a business world increasingly complicated by ethical issues, globalization, and technology but also have more demands on their time. To help them meet these challenges, this textbook shows students how business transactions, which are the result of business decisions, are recorded in a way to show their effects on the financial statements. Built on historically strong pedagogy, this edition demonstrates strengthened transaction analysis and its link to the accounting cycle. Proven Presentation: Students learn from a trusted approach built on proper accounting principles and technical detail to ensure mastery of core accounting concepts. Relevant Coverage: Chapter-opening Decision Points have been enhanced to expose students to the changing financial reporting environment and IFRS. Critical-Thinking Tools: New Stop & Think features help students develop the judgment skills they need in the modern business world. Needles/Powers/Crosson demonstrates accounting in motion! Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Utilizing the first thirteen chapters of Wild's best-selling, Financial and Managerial Accounting text, Financial Accounting Fundamentals responds to the market's request for a low-cost, succinct book; a book that balances large and small businesses, and one that is contemporary, engaging, and accessible for today's students. Its innovation is reflected in its extensive use of small business examples, the integration of new technology learning tools, superior end-of-chapter material, and a highly engaging, pedagogical design.

The success of every business in the hospitality industry depends on maximizing revenues and minimizing costs. This Ninth Edition continues its time-tested presentation of fundamental concepts and analytical techniques that are essential to taking control of real-world accounting systems, evaluating current and past operations, and effectively managing finances toward increased profits. It offers hands-on coverage of computer applications and practical decision-making skills to successfully prepare readers for the increasingly complex and competitive hospitality industry.

Building on the success of the best-selling Fundamental Accounting Principles text, authors John Wild, Ken W. Shaw, and Barbara Chiappetta created Financial and Managerial Accounting: Information for Decisions to provide a corporate perspective and balanced coverage in this growing course area. With its step-by-step approach, FinMan streamlines complex accounting processes and helps students build confidence by mastering key concepts and procedures. Chapter opening vignettes using dynamic entrepreneurs appeal to all students and show the relevance of accounting. Students are encouraged to think like a businessperson and apply what they learn. A wide variety of assignments provide instructors with materials to teach, assess, and challenge students on several levels. Join your colleagues and the students that have used this best-selling learning system to advance their education and careers.

Wild's Managerial Accounting presents the managerial accounting course content using a corporate approach. It features the same student-friendly writing style and learning tools that have enjoyed consistent success with students and instructors using other texts in the Wild series. Also consistent with this series is Managerial Accounting's focus on the "Three Cs": Clear presentation of accounting concepts, Concise coverage to help students focus on important material, Cutting edge technology to engage students and improve their chances for success. The author provides a balance of small and large.
