'A roaring tale ... remains as vivid and exciting today as it was on publication in 1697' Guardian The pirate and adventurer William Dampier circumnavigated the globe three times, and took notes wherever he went. This is his frank, vivid account of his buccaneering sea voyages around the world, from the Caribbean to the Pacific and East Indies. Filled with accounts of raids, escapes, wrecks and storms, it also contains precise observations of people, places, animals and food (including the first English accounts of guacamole, mango chutney and chopsticks). A bestseller on publication, this unique record of the colonial age influenced Robinson Crusoe, Gulliver's Travels and consequently the whole of English literature. Edited with an Introduction by Nicholas Thomas

This indispensable manual provides a comprehensive guide to one-on-one instruction for struggling readers in grades 1 to 3. The book addresses the "hows," "whats," and "whys" of setting up a volunteer or professional tutoring program, supplies assessment guidelines and reproducible forms, and presents in-depth case studies that demonstrate the nuts and bolts of tutoring three children at different stages of early literacy over an entire school year. Case study chapters offer clear descriptions of lesson plans, instructional activities, and informal assessment procedures, illustrated with realistic examples of student work.

Book Features: • Ages 4-7, PreK-Grade 2, Guided Reading Level B, Lexile 190L • 16 pages, 8 inches x 8 inches • Vibrant, full-color photographs • Includes a photo glossary, high-frequency vocabulary list, and review activity • Reading/teaching tips included Ready For Science: In Reuse It!, preschoolers through second graders think about ways to creatively reuse items that might otherwise be trash. Kids read about upcycling everyday items like bottles, jars, and boxes to help protect the earth. Bring Science Learning To Life: The 16-page beginning science book teaches kids to think like scientists as they explore full-color photos of reusable and recyclable items, building critical thinking skills with an engaging post-reading activity. Build Basic Reading Skills: This exciting nonfiction book will help your child learn and improve reading fluency and comprehension skills with simple sentences in large print, a picture glossary, a high-frequency word list, and an extension activity. Inspire Scientific Curiosity: Part of the Ready for Science series, this leveled reader introduces early readers to fundamental science concepts. Each book in this series helps kids explore a basic science concept and develop their love for science. Why Rourke Educational Media: Since 1980, Rourke Publishing Company has specialized in publishing engaging and diverse non-fiction and fiction books for children in a wide range of subjects that support reading success on a level that has no limits.
