Gurpurab or guru Nanak Gurpurab is also known as Guru Nanak's prakash utsav and Guru Nanak Jayanti is one of the most sacred festival among the Sikhs. It actually celebrates the birth of the first guru []

On Sikh gurus and Sikhism.

Ek Onkar Satnam is the essence of Japji Sahib the message of Nanak that emerged as Sikh Religion. Indeed Ek Onkar Satnam is the Heartbeat of Nanak. The entire religion is condensed in these three words EK, OnKAR, and SATNAM. Afterwards whatever Nanak overflowed is for your understanding. Otherwise the message is complete. Beyond dualities, conditionings, and your beliefs lies the realm of Buddhas. Nanak is a Buddha - one who has not only attained to this Oneness with that which is, instead has harnessed this energy field for the transformation of human consciousness. Japji Sahib is the expression of Truth as envisaged by Nanak and occupies a foremost place in Sikh religion. Ek Omkar Satnam is the heartbeat of Nanak and Japji Sahib is the fragrance of the inner flowering. The effort is to harness and present truth that rendered Nanak, Buddha, Kabir, Osho, Krishnamurti, Jesus and Mahabir Enlightened in its sublime and nascent form through this work. Truth is sublime. Truth is beyond religions and even your gods and goddesses. Truth is solitary. Truth is auspicious. Truth is beyond duality. So is bliss or Anand. Truth has nothing to do with Sikh, Hindu, Muslim, Christian or Jew. Truth is beyond these narrow boundaries. Your conditioning, your values, and your understanding have no correlation with Truth. A Hindu mind listens to that which resonates and strengthens his mind. So is the case with a Sikh, Christian, Mohammedan and other sects as well. You are listening simply to strengthen your mind. Nanak is unique. And he is unique in many ways. Nanak happened before TulsiDas. Social values were declining. Politically that was the beginning of a new era. The message of the masters was losing its inner fabric. Nanak's role was to resurrect all these. Nanak came like a fresh breeze. Look at the earlier scriptures. Valmiki used one meter throughout the entire narration of Ramayana. So too the same

one meter Anustup with each composition of four quadrants and two lines each is the meter used throughout the text - the Bhagwad Gita. All this describes one set pattern. Bhagwad Gita is the path of Yoga although different paths of Yoga are explained. And Ramayana is the story of Rama on the platter of Bhakti. Nanak has used different meter in each Pauri. The Japji Sahib does not follow any strict meter of poetry and even the rhyming seems, at places, uneven and incoherent. Besides, sometimes the basic line of thought appears to be intruded upon by verses in between, particularly if one relies solely upon translations and word meanings. This explains that through each Pauri Nanak goes into in-depth message of different systems of transformation used by the masters and paths. Anyone with linear consciousness or one track mind and understanding cannot understand Nanak. Only a master whose consciousness has reached its pinnacle! Or has merged with the ultimate can explain various systems of transformation of human consciousness as interwoven through various Pauris of Japji Sahib. Allow this nectar to ooze into being.

The Mool Mantra - the Essence of Sikh Religion 'Ek Omkar Satnam' is the Mool Mantra - the Invocation. This is the essence. The entire Sikh religion is condensed in these three words. After this all that Nanak spoke is the explanation. Not everyone is at the same plain as Nanak is. And if that has been the case then there was no need for Nanak. The explanation is therefore needed. This is the methodology or Tariqat or the Way of Nanak to bring transformation in you. This is the way for the transformation of human consciousness. 'EK OMKAR SATNAM' is the remembrance and salutation of that which is. And there can be no better way than remembering the attributes of that which is. There is a significant difference between the invocation you do and the invocation of Nanak. The words Nanak is using as attribute are his experience. These are the words of the one who has known. When a master uses certain words there is certainly a difference. In fact it is the master who gives his fragrance to these words. Each word that Nanak has used echoes his fragrance and his being. Nanak experienced his beloved and out of that experience these words overflow. Nanak's path is full of songs. Nanak's search is unique. Remember Nanak did no Yoga! No Tap! No Dhyana! Nanak simply sang. And thus attained to oneness with the Ultimate! Nanak sang with so much totality that his song became 'dhyana' (meditation). Song became Yoga! Also song became tap or austerities.

The TOTALLY MATH adventure continues with Finn and Jake, everyone's favorite human and dog duo! Will the guys find a way out of their dungeon despair, or will they have to settle for hanging with some tops blooby skeleton dudes? Only one way to find out, Candy People!

Discourses by an Indian sectarian religious leader.

The Hymns of the Samaveda is an unchanged, high-quality reprint of the original edition of 1893. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.
