Michael is mentioned three times in the Hebrew Bible (the Old Testament), all in the Book of Daniel. The prophet Daniel experiences a vision after having undergone a period of fasting. Daniel 10:13-21 describes Daniel's vision of an angel who identifies Michael as the protector of Israel. At Daniel 12:1, Daniel is informed that Michael will arise during the "time of the end".

I have grown up in a Bible based denominational church all my life. As a kid I did not find Christianity attractive just like many young person, but could not help noticing the enjoyment of others bewitched by the pomp ceremonial splendour. With golden altars, religious painting with the Christ picture crucified at all to see. In contrast to our society the imposing impressive procession was a behold that evoked mans love of pride and splendour. The procession of ministers followed by the performance of rituals, tagged along the congregation seemingly was one impressive entry that had all the holiness embodied, from the onlooker. It is a gorgeous display that charms everyones eye. It all looked like the music, splendour, procession and even the preaching to a soul sick audience like myself took precedence of all. Change of heart never occurred to me. In all of these, my reason and conscious was silenced, star stuck by its splendour. Did I did not know that this was the beginning of the longest and dreadful war to take inside of me. My troubled soul that did not have a sound argument of its prevalence was only to be thwarted by conforming to the world. The pressure of merging culture of any kind with a man inner Spirit, had caused troubled soul of grand proportion. The more the conformity to the world, the extreme the troubled soul and greater the fear. It was just too overwhelming to leave with such discomfort. It was like I had murdered someone, maybe I did, my inner Spirit.

Foreword Heartlight This book will change your relationship with reality. K. Michael Curcuru bestows enlightenment in a book. What you hold in your hands doesnt just have words about light. It conveys light. This book is a touchstone. Get into it. Let it wash over you. Read aloud the exquisite passages, and relish the sparkling energy that enfolds you. This is a new literary genre: stream-of-light-consciousness writing. When I began reading Heartlight, my recovering English teacher started sputtering, Oh dear, thats what hes using as a verb? Then the beauty and flow of the book moved me into a different way of being with it. Michael really does see the world as hes written it here. He embodies radiant light. And this book imparts transformation just as Michael doesenergetically speaking because Michael is that light. He has discovered a way of gifting an enlightened level of being to you by experiencing his book. Heartlight is an energetic field. Like a magnetic field realigns poles of iron filings, you will find yourself feeling lighter, expanded, and more open-hearted and self-loving when you spend time in this book. You will absorb this book at a subatomic level. Avoid seeking the sentence structure Newtonian method. Let your right brain fall in love with this book. Use the creative, fluid, random part of you that senses wholeness rather than constructs it. As you drop into this book, you may find yourself swept away, poised on the crest of a word wave. Awash in alluring alliteration, you ask, From whence did I come? You can find your way home, Dorothy, by remembering. Heartlight is about how to be the light in the Illusion; it is how to find the light, trust the light, and be cradled by the light. As Michael would say, In-Joy! Namaste, Phyllis Kirk, JD Quantum Lite Simplified: How to Calm the Chaos
