Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

This study guide is a powerful tool for in classroom use and for preparing for exams. Each chapter of the guide includes study objectives, a chapter review consisting of 20-30 key points, and a demonstration problem linked to study objectives in the textbook. True/false, multiple-choice, and matching questions in it provide additional practice opportunities. Solutions to the exercises are detailed and therefore provide substantial feedback.

Accounting: Tools for Business Decision Making, 7th Edition is a two-semester financial and managerial accounting course designed to show students the importance of accounting in their everyday lives. Emphasizing decision-making, this new edition features relevant topics such as data analytics as well as the time-tested features that have proven to be of most

help to students.

Financial Accounting: Tools for Business Decision Making, Ninth Edition, provides a simple and practical introduction to financial accounting. It explains the concepts students need to know, while also emphasizing the importance of decision making. In this new edition, all content has been carefully reviewed and revised to ensure maximum student understanding. At the same time, the time-tested features that have proven to be of most help to students such the student-friendly writing style, visual pedagogy, and the relevant and easy-to-understand examples have been retained.

Our top selling introductory accounting product Accounting Principles helps students succeed with its proven pedagogical framework, technical currency and an unparalleled robust suite of study and practice resources. It has been praised for its outstanding visual design, excellent writing style and clarity of presentation. The new eighth edition provides more opportunities to use technology and new features that empower students to apply what they have learned in the classroom to the world outside the classroom.

Financial and Managerial Accounting provides students with a clear introduction to fundamental accounting concepts beginning with the building blocks of the accounting cycle and continuing through financial statements. This product is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts as well as learn the accounting cycle from a corporate perspective.

Updated with the latest developments in the accounting and hospitality fields, Hospitality Financial Accounting, Second Edition covers the basics of financial accounting and then walks you through analyzing financial statements and dealing with the daily issues you'll face on the job. In this Second Edition, the authors have provided engaging new coverage and features that includes new case studies, an expanded section on ethics, new "Accounting in Action" vignettes, applied exercises, and new coverage of casinos, spas, and purveyors.
