Ever since legwarmers were cool, best friends Tara, Katherine, and Fintan have survived small-town ennui, big-city heartbreak, and endless giddy nights out on the town. But now that they've graduated to their slightly more serious thirties, only Fintan has what can honestly be called a "love life." With Tara struggling daily with her eternal diet—and her dreadful, penny-pinching boyfriend—and Katherine keeping her single existence as organized as her drawer full of matching bra and panty sets, it seems they'll never locate the exit door out of the "last chance saloon." But it's always when you are least ready for change that fate insists on one. And when catastrophe inevitably follows crisis, the lives of three best friends are sure to change in unexpected ways ... and not necessarily for the worse. You devoured the hilarious antics of Claire in *Watermelon*. You laughed 'til you cried in *Lucy Sullivan Is Getting Married*. You took a vacation gone mad in *Rachel's Holiday*. You flew away with Margaret—good girl gone bad—in *Angels*. You got a peek inside the cutthroat world of women's fashion magazines in *Sushi for Beginners*. Now, raise your glass to Tara, Katherine, and Fintan in *Last Chance Saloon*.

Lisa Edwards This Prada-wearing magazine editor thinks her life is over when her "fabulous" new job turns out to be a deportation to Dublin to launch Colleen magazine. The only saving grace is that her friends aren't there to witness her downward spiral. Might her new boss, the disheveled and moody Jack Devine, save her from a fate worse than hell? Ashling Kennedy Ashling, Colleen's assistant editor, is an award-winning worrier, increasingly aware that something fundamental is missing from her life -- apart from a boyfriend and a waistline. Clodagh "Princess" Kelly Ashling's best friend, Clodagh, lives the domestic dream in a suburban castle. So why, lately, has she had the recurring urge to kiss a frog -- or sleep with a frog, if truth be told? As these three women search for love, success, and happiness, they will discover that if you let things simmer under the surface for too long, sooner or later they'll boil over. Go further under the covers and stay in bed a little longer with Marian Keyes in this winning follow-up to her smash essay collection, *Under the Duvet*. Written in the witty, forthright style that has earned her legions of devoted readers, *Cracks in My Foundation* offers an even deeper and more candid look into this beloved author's mind and heart, exploring such universal themes as friends and family, home, glamour and beauty, children, travel, and more. Marian's hilarious and thoughtful take on life makes her readers feel they are reading a friend, not just an author. Marian continues to entertain with her reports from the trenches, and throws in some original short fiction as well. Whether it's visiting Siberia, breaking it off with an old hairdresser, shopping (of course!), turning forty, living with her beloved husband, Himself (a man beyond description), or musing on the F word (feminism), Marian shares the joys, passions, and sorrows of her world and helps us feel good about our own. So grab a latte and a pillow and get ready to laugh your slippers off!

Tara, Katherine and Fintan, now in their early thirties, live in London where life for them all is going to experience a sudden change.

Bestselling author Marian Keyes has delighted readers with the lives, loves, and foibles of the irrepressible Walsh sisters and their eccentric mammy. In this *Life in the Big Apple* is perfect for Anna. She has the best job in the world, a lovely apartment, and great friends. Then one morning, she wakes up in her mammy's house in Dublin with stitches in her face, a dislocated knee, hands smashed up, and no memory at all of what happened. As soon as she's able, Anna's flying back to Manhattan, mystified but determined to find out how her life turned upside down. As her past slowly begins coming back to her, she sets out on an outrageous quest—involving lilies, psychics, mediums, and anyone who can point her in the right direction. *Marrying life's darker bits with wild humor and tender wit, Anybody Out There?* is a strange and wonderfully charming look at love here and ever after.

After catching her husband having an affair and being fired from her job, Maggie Walsh suddenly finds her perfectly organized existence has become a perfect mess. She decides, for the first time in her life, to do something daring -- and flees to her best friend, Emily, in the faraway wonderland of Los Angeles. In this mecca of tanned, beautiful bodies, unsvelte, uncool Maggie is decidedly a fish out of water. Yet, overnight, she's mixing with film folk, pitching scripts, even experimenting with sex -- and discovering that the end of a marriage is not the end of the world.
