here. I will definitely share this book with others." -Zariya B., Recent College Graduate Learn more about the book and additional college tips at: Primerforcollege.com About the Author: Yaunee is a proud graduate of Florida State University, where she received both her bachelor's and master's degree. Entering FSU as a clueless freshman, Yaunee had little guidance on what college life would entail. But with patience and determination, her college experience was exceptionally life-changing. During her time at FSU, Yaunee met life long friends, traveled the world (literally) and even met her now husband, Ken while studying abroad in London, England. After much growth and maturity throughout her time in college, Yaunee wanted to share both her life lessons and fun memories of college through her book, *Make the Most of Your College Years: A Primer for Success*. She hopes this book encourages students to be intentional about every decision they make in college, while creating memories worth a lifetime. With the title of both Wife and Mommy under her belt, she is also a huge sports fan, an arts & crafts lover, and gifted empowerment coach. Learn more about Yaunee at: yaunee.com.

How can you make the most of your stress? *RESET: Make the Most of Your Stress* was named Motivational Book of 2015 Winner and a Finalist in the Self-Help and Health and Wellness categories by Next Generation Indie Book Awards. *RESET* has been called "a breakthrough model that reframes our ideas about stress", and "an excellent guide chock full of practical strategies, insightful stories, and wise advice for anyone who experiences stress in their daily work". There are far too many 5-step, simplistic models of stress reduction to go around. *Reset* offers a fresh perspective that is not only backed up with years of research and clinical practice, but presented in a way that allows each reader to take into account their own circumstances and develop a plan for well-being that actually works. When you feel the negative effects of stress and anxiety, *RESET's* components will help you get your bearings and recalibrate: Realize. Energize. Soothe. End Unproductive Thinking. Talk it Out. Whether you know it or not, you're already responding to stress-either constructively or destructively. Read *RESET* to develop a plan that is unique to you and your circumstances to better equip you to respond to the challenges before you and make the most of your stress.
