As the long-time #1 best-seller, Garrison has helped guide close to 3 million students through managerial accounting since it was first published. It identifies the three functions managers must perform within their organisations-plan operations, control activities, and make decisions-and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. Garrison's Managerial Accounting is known for its relevance, accuracy, and clarity. It is also unique in that the authors write the most important supplements that accompany the book: solutions manual, test bank, instructor's manual, and study guide - making them both of high quality and extremely consistent with the textbook.

As the long-time #1 best-seller in Managerial Accounting, the 17th edition of Garrison/Noreen/Brewer's Managerial Accounting successfully guides students through the Managerial Accounting course and beyond. Not only does the Garrison text teach students Managerial Accounting concepts in a clear and concise way, but it also asks students to consider how the concepts they're learning will apply to the real-world situations they will eventually confront in their careers. Garrison's 17th edition improves student learning and fosters course and career readiness with its emphasis on relevance, accuracy, and clarity while also embracing innovation through the

incorporation of Data Analytics Exercises. With world class content, combined with the powerful platform of Connect to engage and enhance learning, students are provided with a framework to achieve higher outcomes in their Managerial Accounting course and beyond.

With the fourteenth edition of Financial and Managerial Accounting: The Basis for Business Decisions, the Williams author team carries on the tradition of being a solid foundation for students learning basic accounting concepts. Through the revision, the authors have further refined the financial accounting topics, while slightly expanding the managerial accounting material to provide even more balanced coverage. Hallmarks of the text--including the solid Accounting Cycle Presentation, relevant pedagogy, and high quality, end-of-chapter material--have all been updated and enhanced through the revision. A new design enhances the graphical elements of the text, while the integration of several boxed elements provides a more streamlined approach to chapter topics.

Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

The emphasis of **MANAGERIAL ACCOUNTING**, 6e is on teaching students to use accounting information to best manage an organization. In a practice Hilton pioneered in the first edition, each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. Known for balanced examples of Service, Retail, Nonprofit and Manufacturing companies, Hilton offers a clear, engaging writing style that has been praised by instructors and students alike. As in previous editions, there is significant coverage of contemporary topics such as activity-based costing, target costing, the value chain, customer profitability analysis, and throughput costing while also including traditional topics such as job-order costing, budgeting and performance evaluation.
