An annotated and indexed transcription of one of the primary
Parliamentarian newsbooks published during the first English Civil
War, 1642-1646. Volume 1 of 4.

A gripping narrative history of the English Revolution and the
radical Levellers The Levellers, revolutionaries that grew out of the
explosive tumult of the 1640s and the battlefields of the Civil War,
are central figures in the history of democracy. In this thrilling
narrative, John Rees brings to life the men—including John
Lilburne, Rich-ard Overton, Thomas Rainsborough—and women
who ensured victory at war, and brought England to the edge of
radical repub-licanism. From the raucous streets of London and the

Download Free Mercurius Civicus Londons Intelligencer Volume I 4th May 28th Dec

clattering printers' workshops that stoked the uprising, to the rank and file of the New Model Army and the furious Putney debates where the levellers argued with Oliver Cromwell for the future of English democracy, this story reasserts the revolutionary nature of the 1642 – 48 wars, and the role of ordinary people in this pivotal moment in history. The legacy of the Levellers can be seen in the modern struggles for freedom and democracy across the world.

Examines the experiences of Catholics during the period when England was ruled by Puritan Protestants.

More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a

Download Free Mercurius Civicus Londons Intelligencer Volume I 4th May 28th Dec

workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

Download Free Mercurius Civicus Londons Intelligencer Volume I 4th May 28th Dec 1643 Essential Civil War

During the bloody years of the First English Civil War, as the battles of Edgehill, Newbury and Naseby raged, another war was being fought. Its combatants fought with cunning and deceit, a hidden conflict that nevertheless would steer the course of history. The story of the spies and intelligence-gatherers of the Roundheads and Royalists is one that sheds new light on the birth of the Commonwealth. In 'To Walk in the Dark', intelligence specialist John Ellis presents the first comprehensive analysis of the First English Civil War intelligence services. He details the methods of the Roundhead spies who provided their army commanders with a constant flow of information about the movements of the King's armies, describes the earliest use of code-breaking and mail interception and shows how the Cavalier intelligence forces were

1040 Essential Civil War
overcome. He also reveals the intelligence personnel themselves: the shadowy spymasters, agents and femmes fatales. The descriptions of how intelligence information was used in the main Civil War battles are particularly fascinating and show - for the first time - how intelligence information played a decisive role in determining the outcome of the Civil War itself.
