Yet James Hadley Chase is a supremely skilled writer, isn't he? And so, despite all its shortcomings, *_My Laugh Comes Last_* is a fast read and can certainly be felt "enjoyable" by fans of the thriller genre.

A New York Times Book Review Editor's Choice From the award-winning author Lynn Freed, who's been called a "literary star" by The New York Times Book Review, comes a hilarious and brilliant new novel about the riotous, passion-filled adventures of three women who thought they were past their prime. To escape their griping grown children,

husbands and lovers, and an abundance of grandchildren underfoot, three self-proclaimed "old bags," Dania, Ruth, and Bess, head for a quiet island on the Aegean Sea. They'll spend a year by the water—watching the sunset, eating grilled fish and fresh olives, sipping ouzo. They deserve it, they say. After all those years, the three women will finally have some peace. Except that they can't. For one, Bess, a pampered, once-beautiful inheritress, falls swiftly into an affair with a poetry-writing taxi driver—who has, of course, a territorial wife. And Dania, a therapist, begins to receive an

An ex-lover of Ruth's shows up unexpectedly, right before one of Bess's does—and then the women's children arrive, with their own demanding children in tow. As the island quickly becomes crowded, the women's serene year in Greece devolves perilously, and uproariously, into something much more complicated. With the wit of Maria Semple's *Today Will Be Different* and all the adventure of Deborah Moggach's *The Best Exotic Marigold Hotel*, Lynn Freed's *The Last Laugh* is at once wildly funny and deeply perceptive, an

In a rotting honeycomb of rooms, these old ones plot actions to punish corporations and people they consider culpable in the destruction of the final scraps of nature's beauty. What will Khristen and Jeffrey, the precocious ten-year-old boy she meets there, learn from this "gabby seditious lot, in the worst of health but with kamikaze hearts, an army of the aged and

for the world to catch on to what she already knows: she's hilarious. It might be a long wait, though. After bombing a stand-up set at her own bat mitzvah, Winnie has kept her jokes to herself. Well, to herself and her dad, a former comedian and her inspiration. Then, on the second day of tenth grade, the funniest guy in school actually laughs at a comment she makes in the lunch line and asks her to join the improv troupe. Maybe he's even . . . flirting? Just when Winnie's ready to say yes to comedy again, her father reveals that he's been diagnosed with ALS. That is . . . not funny. Her dad's still
