New Practical Chinese Reader is a new series of textbooks designed for native English speakers to learn Chinese,It consists of 70 lessons in six volumes,covering beginning to intermediate levels for threeyears of instruction.It has been compiled under the guidance of the new HSK Guideline and inconsultation with NOTCFL Syllabus.The objective of this series is to develop the student's ability to communicate in Chinese through the study of language structure?language function?and related cultural knowledge along with the training of listening?speaking?reading and writing skills. In order to make the study of Chinese easier and more interesting, this textbook has the following features: The student will be in the cultural settings of Chinese society with several international students, Ding Libo ?son of Gu Bo and Ding Yun?, Lin Na and Ma Dawei. Through many interesting experiences, the student will not only learn authentic Chinese, but also understand Chinese society and culture. The instruction of functional items is emphasized. The student will learn to use Chinese from the very beginning of the learning process. Attention is paid to the instruction of pronunciation, grammar, vocabulary and discourse and a gradual increase in difficulty, orderly advances and multiple repeats are stressed along with the usage of four large cycles to help students understand the language structure of Chinese. A new method of teaching Chinese characters is utilized to help students read and write intriguing characters. Combined instruction of the four basic skills, listening, speaking, reading and writing, is emphasized. It offers tremendous flexibility. The instructional materials are suitable forusers at different starting points and with different goals. Abundant practice materials are supplied for the student to use inside and outside the classroom. Each volume comes with a Textbook, .

Library holds the Textbook, Workbook and cassettes only. The library does not hold the Instructor's manual.

Basic Mandarin Chinese-Speaking & Listening Practice Book includes hundreds of carefully designed activities to help you with every aspect of your speaking skills, including: Pronunciation exercises Vocabulary and Grammar summaries Substitution drills Transformation and Response drills Role Playing and Listening Comprehension Dictation exercises Translation exercises The downloadable audio includes: 16 hours of audio recordings by native Mandarin speakers Printable practice pages Printable exercises and activities About the Basic Mandarin Chinese series: Respected Chinese language educator Dr. Cornelius Kubler has taught Mandarin Chinese to diplomats, business people and students for several decades-using an effective learning system with two separate but integrated "tracks" to help you learn the spoken and written forms of the language more efficiently and more successfully. The materials in this series have been acclaimed as a breakthrough in Mandarin Chinese language learning.

Since the publication of New Practical Chinese Reader in 2002, it has been well-received by teachers and learners. For users' convenience, in this new edition we have revised those points we found improper. In contrast to its first edition, the notes of the texts are designed next to each text to facilitate students. We have not revised the framework, especially the texts and the main language points of the textbook. Users can visit www.blcup.com or resources.blcup.com to download the traditional Chinese version of the texts for free. All the reading materials and illustrations in the workbook are updated. This is Textbook 4 of New Practical Chinese Reader (2nd Edition). The 12 lessons in it center around a few international students, telling interesting stories about their life and friendship in China and introducing some real-life conventions concerning Chinese expression and comprehension. An MP3 disk goes with the book, including the recording of texts, new words, key sentences and conversation practices in it.

This continuation builds on the material in the earlier book, allowing users to expand their familiarity with Mandarin Chinese. The new audio CD feature is especially helpful to learning and understanding the language as spoken. The ten lessons, although similar in structure to those in the earlier volume, provide a stronger emphasis on grammar and vocabulary. The glossary features vocabulary lists from both volumes.

This book is a quick and easy way to learn basic Chinese Characters. All beginning Chinese language learners struggle to memorize and learn to write Chinese characters. The First 100 Chinese Characters adopts a structural approach which helps students to quickly master the basic characters that are fundamental to this language. Intended for beginning Chinese students, this character book presents characters that have been carefully selected for rapid and effective learning. The English meanings, pronunciations in hanyu pinyin and alternate forms (if any) for each Chinese character are presented along with a stroke order guide and spaces for writing practice. Printed with gray guidelines, the stroke order guides are designed to be traced over to teach students the standard sequence of strokes used to write the character. Related compounds and phrases are given to assist in vocabulary building. Three indexes at the back allow the characters
