In William Friedrich, Wittenborn has defined the archetypal American patriarch: a miracle worker and source of strength to everyone except those he loves the most. Honest, insightful, and ruefully funny, Pharmakon captures formative moments of the twentieth century and the telling traits of an American family.

### ~~Pharmakon—Dirk Wittenborn~~

Dirk Wittenborn (Goodreads Author) 3.55 · Rating details · 802 ratings · 121 reviews An epic novel about family secrets and the consequences of ambition William Friedrich, an ambitious professor of psychology at Yale in 1952, has stumbled upon a drug that promises happiness—and that can make him a famous man.

### ~~Pharmakon by Dirk Wittenborn—Goodreads~~

Pharmakon contains a wonderful examination of the father-son bond, and the family dynamic in general. Although generally downbeat in tone, Wittenborn's razor sharp observations are often hilarious. The final third of the novel isn't quite as strong as the first two.

### ~~Pharmakon, or The Story of a Happy Family: Wittenborn ...~~

In this ambitious but flawed novel about drug makers and drug takers, Wittenborn (Fierce People) unfurls the cautionary story of Dr. Will Friedrich, a psychopharmacologist at Yale in 1951, who teams up with a female psychiatrist to test an experimental mood-enhancing drug extracted from a leaf used by New Guinea witch doctors.

I would even say that Wittenborn probably modeled his writing on Irving's. But one of Irving's strengths is creating memorable, dynamic characters, while all the characters in "Pharmakon" are forgettable and unlikable cardboard cutouts, especially the females. This one is a miss.

### ~~Pharmakon: Wittenborn, Dirk: Amazon.com: Books~~

Pharmakon is a 2008 novel written by the author Dirk Wittenborn. Though fictional, it was greatly influenced by Wittenborn's relationship with his father, who was a psychopharmacologist.

### ~~Pharmakon (novel)—Wikipedia~~

Dirk Wittenborn is a novelist, screenwriter, the Emmy-nominated producer of the HBO documentary Born Rich, and cowriter and coproducer of the feature film The Lucky Ones. His last novel, before The Stone Girl, was Pharmakon. He lives in New York City.

William Friedrich, an ambitious professor of psychology at Yale in 1952, has stumbled upon a drug that promises happiness and that can make him a famous man. When his experiment goes awry, and a research subject commits murder, consequences will haunt him and his family forever

~~Pharmakon—Public Libraries of Suffolk County, New York~~

DIRK WITTENBORN is a novelist (Fierce People, Pharmakon), screenwriter and the Emmy-nominated producer of the HBO documentary, Born Rich. He lives in Brooklyn with his wife and daughter and summers on the wrong side of the tracks in East Hampton, NY.

It is 1950s America and madness is in the air. In a world where the 'cures' for craziness include coma therapy, cyanide treatment and full-frontal lobotomies, Dr. William T. Friedrich, a young and ambitious psychology professor at Yale, stumbles upon a tropical plant that seems to possess the secret ingredient of happiness. In Casper Gedsic, a fiercely intelligent, socially inept, near-suicidal maths student, he seems to have found the perfect guinea pig. But when his experiments goes awry, Casper's thirst for revenge turns murderous and his actions have consequences that will haunt Friedrich and his family forever...

The Stone Girl is a riveting tale of deception, vengeance, and power set against the haunting beauty of the Adirondack wilderness. Deep in the Adirondack Mountains lies a speck of a town called Rangeley. There isn ’ t much to this tiny town, but it is at the crossroads of serene fishing streams off the Mink River, pristine hunting grounds in the surrounding mountains, and vast estates of the extremely rich. It is also the gateway to the Mohawk Club, which houses the Lost Boys, an exclusive group of wealthy and powerful men with global influence and a taste for depravity. Raised wild and poor in the shadows of the Mohawk Club, Evie Quimby was a teenager when she first fell victim to the Lost Boys. Seventeen years later, she is now a world-renowned art restorer famous for repairing even the most-broken statues. After spending half her life in Paris, establishing her reputation and raising her daughter Chlo é , Evie has come a long way from the girl who left Rangeley behind. But when Chlo é receives a visit from an elegant stranger who claims to be an old friend of her mother ’ s, the ghosts of Evie ’ s past return in full force, pulling her back to the North Country of her girlhood and into the tangled, intricate web of the Lost Boys. Evie bands together with her formidable mother and an embattled heiress, both victims of the Lost Boys, in pursuit of an unusual and heart-stopping vengeance.

In the same vein of The Hipster Handbook, a Johnson & Johnson heiress and a raconteur, screenwriter and producer show aspiring social climbers how to improve their lot in life and become more popular than they ever could have imagined with the help of insider advice and guidance. 50,000 first printing.

Finn Earl moves with his mother, a former cocaine addict, as she takes a summer job with a wealthy family living in New Jersey and becomes involved in the intrigue and secrecy which surrounds the family.

An honest, insightful, and ruefully funny look at the fate of one American family vis-à-vis the rise of modern psychopharmacology, *Pharmakon*, or *The Story of a Happy Family* is nothing less than a contemporary epic. The novel follows William Friedrich, an ambitious professor of psychology at Yale in the early 1950s, who has stumbled upon a drug that promises happiness to those who ingest it and fame and fortune to the man who can synthesize it. But when a brilliant and troubled research subject commits murder, the consequences will haunt Friedrich and his family for years to come.

*Running with Scissors* meets *Bewitched* in this irresistible memoir, as Philip Smith describes growing up in 1960s Miami with his decorator father, who one day discovers he has the miraculous power to talk to the dead and heal the sick. After a full day of creating beautiful interiors for the rich and famous, Lew Smith would come home, take off his tie, and get down to his real work as a psychic healer who miraculously cured thousands of people. For his son, Philip, watching his father transform himself, at a moment's notice, from gracious society decorator into a healer with supernatural powers was a bit like living with Clark Kent and Superman. *Walking Through Walls* is Philip Smith's astonishing memoir of growing up in a household where séances, talking spirits, and exorcisms were daily occurrences, and inexplicable psychic healings resulted in visitors suddenly discarding their crutches and wheelchairs or being cured of fatal diseases. While there are benefits to having a miracle man in the house, Philip soon discovers the downside of living with a father who psychically knows everything he is doing. Surrounded by invisible spirits who tend to behave like nagging relatives, Philip looks for ways to escape his mystical home life -- including forays into sex, surfing, and even Scientology. By turns hilarious and profound, *Walking Through Walls* recounts Philip Smith's often bizarre but always magical coming of age in a household that felt like a cross between Lourdes and the set of *Rosemary's Baby*, and shows how he managed to map out his own identity in the shadow of a father who, truly, loomed larger than life itself.

*Results Are Rewarded, Efforts Aren't* Bestselling author Shiv Khera reveals the secrets of every successful sales professional, and explains clearly and simply why 'Results Are Rewarded, Efforts Aren't'. *You Can Sell* teaches you how to gain a thorough and in-depth knowledge of the business world, a clearer understanding of the tasks at hand and, ultimately, how to sell your way to success. This book explains how you can:

- Gain success and avoid pitfalls;
- Meet and exceed goals;
- Establish credibility and grow;
- Gain a competitive edge; and
- Understand the qualities of a winning professional.

Originally published: London: Thames & Hudson Ltd, 2015.

The boundaries between the real and the virtual break down in this literary SF thriller from the author of *If Then* and *The Destructives* Once, Nelson was a radical journalist, but now he works for Monad, the corporation that makes the Dr Easys, the androids which police London's streets. They also make the Red Men, versions of real people imagined by a shadowy artificial intelligence... and they're looking to expand the program. Nelson creates Redtown, a digital version of a suburb, where the deepest secrets and desires of its citizens can be catalogued and studied. But the project's goals are increasingly authoritarian and potentially catastrophic. As the boundaries between Redtown and the real world break down and revolution against the Red Men is imminent, Nelson is forced to choose between the corporation and his family. By the acclaimed novelist of *All Things Cease to Appear* “ An intense, provocative thriller. ” —Publishers Weekly (starred review) Hedda Chase is a top-flight executive producer at Gladiator Films, fast-tracked in the business since she graduated from Yale. An aggressive businesswoman, she recently pulled the plug on a film project initiated by one of her predecessors. The screenwriter on the project was Hugh Waters, a wannabe with a dead-end marriage and a day job at an insurance company. This script was his ticket out-until Hedda tampered with his plans, claiming his violence was over the top, his premise not credible, and his ending implausible. Hugh decides to prove otherwise by staging his script's ending and casting Hedda Chase as the victim. He flies to Los Angeles and finds Hedda, kidnaps her, and locks her in the trunk of her vintage BMW in the parking lot at LAX. He leaves the keys in the ignition, the parking ticket on the dash, and lets “ destiny ” take its course. This is the set-up for a troubling, smart, deadly look at women and images of women, at media as a high-stakes game and the selling of a war as theatre. Brundage's Los Angeles is a casual battleground that trades carelessly in lives and dreams. As always, her characters are complicated, surprising, and intense in this high velocity, provocative novel.
