Presents a Spanish language grammar and vocabulary practice workbook to accompany a text book for classes in high school Spanish.

Combines the current Practice Workbook and the Guided Practice Workbook into one workbook. Now you have a single workbook for all your students! This workbook provides two levels of support for students. The Guided Practice activities provide step-by-step practice including vocabulary flashcards and folding study sheets, guided grammar practice, and scaffolded support for each chapter's Lectura, Presentación oral, or Presentación escrita. The Core Practice activities feature basic practice for each chapter's new vocabulary and grammar, plus end-of-chapter Crossword Puzzle and Organizer. Looking to move to online workbooks?

mind."--Amazon/Publisher.

Your students join Lola Lago, a private detective in Madrid, as she investigates the theft of jewelry from dona Gracia. And no one can find Maria! This 10-episode "whodunit" is easily comprehensible to first-year Spanish students. It is recommended that students begin viewing the video in the middle of the first year. Filmed in Madrid, each episode is approximately eight minutes in length. The VHS package contains 5 cassettes and the DVD package contains 2 discs. Each package includes the Teacher's Video Guide with videoscripts and teaching suggestions. The activities in the Eres tu, Maria? Video Workbook are different than those in the REALIDADES B or 1 Student Edition.

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

Students learn Spanish by actively engaging with the language via hands-on activities and projects, interactive CD-ROMs, and Internet tasks that help all students.

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.
