Right-Brain Thinking in a Left-Brain World. Much is made of the type of information each individual side, or hemisphere of our brain processes. It's generally known that your left hemisphere is where you process factual, logical and detailed information; it's where your language is processed. Meanwhile, your right hemisphere is your creative, intuitive and big picture processor.

Using the Bible as the foundation, you'll learn how to develop a Christian perspective on key issues—including ... political activism environmentalism the cult of celebrity entertainment and escapism homosexual marriage abortion, birth control, and surrogacy euthanasia and suicide disasters and epidemics immigration God and the problem of evil Also included is a topical reference guide of Bible verses that address key concerns—a guide that will arm you with right thinking and biblical answers to challenging questions.

Let the Holy Spirit Transform Your Thoughts Is your life everything you would like it to be? Do you feel like you are fulfilling your destiny or do you constantly fight against thoughts of condemnation, fear, hopelessness, or self-doubt? Many quote the Bible proverb, "As a man thinks, so is he." Your thoughts direct your words, shape your future, and ultimately determine your destiny. Kirkwood shows you how to let go of destructive thought patterns and exchange them for life-producing thoughts! Receive practical tools to: agree with God about who you are—and learn how to renew your mind using the Bible. discern between God's voice that brings life and truth—and the devil's voice that speaks lies. meditate on God's promises—and start releasing the prophetic power of God's thoughts over your life, family, and future. The enemy tries to keep you from fulfilling God's purpose for your life by bombarding your mind with lies and torment. Stop agreeing with him! Align your thoughts with God's and allow the Holy Spirit to prophetically shape your thinking so that your mind is under Heaven's influence. Access the power of right thinking to transform your body, soul, and spirit!

It is important to learn how to think and what to think. Right thinking is an art and a science. Swami Tejomayananda guides us in Right Thinking that leads us to Truth - the Truth that sets us free - in the realm of freedom from sorrow and a world of peace, happiness and true success.

Engaging with contemporary issues responsibly and creatively can become a very abstract activity. We can sometimes find ourselves talking in terms of theories and philosophies which bear very little resemblance to how life is actually lived and experienced. In Thinking in the World, Jill Bennett and Mary Zournazi curate writings and conversations with some of the most influential thinkers in the world and ask them not just why we should engage with the world ,but also how we might do this. Rather than simply thinking about the world, the authors examine the ways in which we think in and with the world. Whether it's how to be environmentally responsible, how to think in film, or how to dance with a non-human, the need to engage meaningfully in a lived way is at the forefront of this collection. Thinking in the World showcases some of the most compelling arguments for a philosophy in action. Including wholly original, never-before-released material from Michel Serres, Alphonso Lings, and Mieke Bal, the different chapters in this book constitute dialogues and approachable essays, as well as impassioned arguments for a particular way of approaching thinking in the world.

Keeping the Church on Track in a Secular World The church today faces great challenges, both from without and from within. Popular culture tempts Christians to compromise truth in the name of relevance and to ignore sin under the guise of tolerance. At the same time, serious doctrinal errors threaten to undermine the authority of God's Word, leading to all sorts of unbiblical practices. Right Thinking in a Church Gone Astray offers responses from trusted evangelical voices on 15 timely issues. With a careful look at God's Word, you'll gain wisdom and insights on highly relevant topics such as ... measuring true success in ministry countering the church's celebrity culture responding biblically to homosexuality reclaiming the essentials of the Christian faith discerning God's ultimate priority for the church With biblical guidance on these and other vital matters, this resource provides much-needed clarity for today's church.

New York Times Bestseller An exciting—and encouraging—exploration of creativity from the author of When: The Scientific Secrets of Perfect Timing The future belongs to a different kind of person with a different kind of mind: artists, inventors, storytellers-creative and holistic "right-brain" thinkers whose abilities mark the fault line between who gets ahead and who doesn't. Drawing on research from around the world, Pink (author of To Sell Is Human: The Surprising Truth About Motivating Others) outlines the six fundamentally human abilities that are absolute essentials for professional success and personal fulfillment—and reveals how to master them. A Whole New Mind takes readers to a daring new place, and a provocative and necessary new way of thinking about a future that's already here.

The nursery rhyme "There was a Crooked Man" is an appropriate description of how sin affects us and our world. We live in a crooked world of ideas evaluated by crooked people. Left to our crooked nature, we can never fully understand what God has planned for us and His world. God has not left us without a corrective solution. He has given us a reliable reference point -- the Bible -- so we can identify the crookedness and straighten it. Gary DeMar shows the power of biblical thinking and the desperate need of it in the church. He defines what a biblical worldview is and demonstrates how to acquire and practice it. - Publisher.

In this powerful book of quotations, Byron Katie talks about the most essential issues that face us all—love, sex, and relationships; health, sickness, and death; parents and children; work and money; and self-realization. The profound, lighthearted wisdom embodied within is not theoretical; it is absolutely authentic. Not only will this book help you on many specific issues, but it will point you toward your own wisdom and will encourage you to question your own mind, using the four simple yet incredibly powerful questions of Katie's process of self-inquiry, called The Work. Katie is a living example of the clear, all-embracing love that is our true identity. Because she has thoroughly questioned her own mind, her words shine with the joy of understanding. "People used to ask me if I was enlightened," she says, "and I would say, 'I don't know anything about that. I'm just someone who knows the difference between what hurts and what doesn't.' I'm someone who wants only what is. To meet as a friend each concept that arose turned out to be my freedom."
