Since 2000, IOM has been producing world migration reports. The World Migration Report 2020, the tenth in the world migration report series, has been produced to contribute to increased understanding of migration throughout the world. This new edition presents key data and information on

# Download File PDF The Uality

migration as well as thematic chapters on highly topical migration issues, and is structured to focus on two key contributions for readers: Part I: key information on migration and migrants (including migration-related statistics); and Part II: balanced, evidence-based analysis of complex and

# Download File PDF The Uality

emerging migration  
issues.

This book brings  
together high-quality  
international research  
which examines how  
migration and borders  
are experienced in  
education. It presents  
new conceptualisations  
of education as a  
'border regime',  
demonstrating the need

# Download File PDF The Uality

for closer attention to  
'border thinking', and  
diasporic and  
transnational analyses in  
education. We live in a  
time in which borders –  
material and political –  
are being reasserted  
with profound social  
consequences. Both the  
containment and global  
movement of people  
dominate political  
concerns and inevitably

educational practice  
from a diverse range of  
national contexts. Key  
issues taken up by

# Download File PDF The Uality

authors include:

immigration status and educational inequalities; educational inclusion and internal migration; 'curricula nationalism' and global citizenship; education and labour; the educational experiences of refugees and the politics of refugee education; student migration and adult education; and

# Download File PDF The Uality

nationalism, colonialism and racialization. This book was originally published as a special issue of International Studies in Sociology of Education.

This handbook presents a collection of high-quality, authoritative scientific contributions on cross-border migration, written by a

# Download File PDF The Uality

Carefully selected group of recognized migration experts from around the globe. In recent years, cross-border migration has become an important and intriguing issue, from both a scientific and policy perspective. In the 'age of migration', the volume of cross-border movements of people continues to rise, while

# Download File PDF The Uality

the nature of migration flows – in terms of the determinants, length of stay, effects on the sending and host countries, and legal status of migrants – is changing dramatically. Based on a detailed economic-geographical analysis, this handbook studies the motives for cross-border migration, the socio-economic

# Download File PDF The Uality

implications for sending countries and regions, the locational choice determinants for cross-border migrants, and the manifold economic-geographic consequences for host countries and regions. Given the complexity of migration decisions and their local or regional impacts, a systematic typology of migrants

# Download File PDF The Uality

(motives, legal status, level of education, gender, age, singles or families, etc.) is provided, together with an assessment of push factors in the place of origin and pull factors at the destination. On the basis of a solid analytical framework and reliable empirical evidence, it examines the impacts of

# Download File PDF The Uality

Of Migration for sending areas and of immigration for receiving areas, and provides a comprehensive discussion of the policy dimensions of cross-border migration.

Border enforcement is a core element of the Department of Homeland Security's

# Download File PDF The Uality

effort to control unauthorized migration, with the U.S. Border Patrol (USBP) within the U.S. Customs and Border Protection (CBP) as the lead agency along most of the border. Border enforcement has been an ongoing subject of congressional interest since the 1970s, when illegal immigration to

# Download File PDF The Uality

the United States first registered as a serious national problem; and border security has received additional attention in the years since the terrorist attacks of 2001. Since the 1990s, migration control at the border has been guided by a strategy of "prevention through deterrence"-the idea that the

# Download File PDF The Uality

concentration of  
personnel,  
infrastructure, and  
surveillance technology  
along heavily trafficked  
regions of the border  
will discourage  
unauthorized aliens  
from attempting to enter  
the United States. Since  
2005, CBP has  
attempted to discourage  
repeat illegal migrant  
entries and disrupt

# Download File PDF The Uality

migrant smuggling networks by imposing tougher penalties against certain unauthorized aliens, a set of policies eventually described as "enforcement with consequences." Most people apprehended at the Southwest border are now subject to "high consequence" enforcement outcomes.

# Download File PDF The Uality

Across a variety of indicators, the United States has substantially expanded border enforcement resources over the last three decades. Particularly since 2001, such increases include border security appropriations, personnel, fencing and infrastructure, and surveillance technology. In addition to increased

# Download File PDF The Uality

resources, the USBP has implemented several strategies over the past several decades in an attempt to thwart illegal migration. Recently, the Obama Administration announced executive actions to "fix" the immigration system. These actions address numerous issues, including a security plan at the southern border.

# Download File PDF The Uality

The Border Patrol collects data on several different border crossings and enforcement outcomes; and this report describes trends in border apprehensions, recidivism, and estimated got aways and turn backs. Yet none of these existing data are designed to measure illegal border flows or the degree to which the

# Download File PDF The Uality

border is secured. Thus, the report also describes methods for estimating illegal border flows based on enforcement data and migrant surveys. Drawing on multiple data sources, the report suggests conclusions about the state of border security. Robust investments at the border were not associated with reduced

# Download File PDF The Uality

illegal inflows during the 1980s and 1990s, but a range of evidence suggests a substantial drop in illegal inflows in 2007-2011, followed by a slight rise in 2012 and a more dramatic rise in 2013. Enforcement, along with the economic downturn in the United States, likely contributed to the drop in unauthorized

# Download File PDF The Uality

migration, though the precise share of the decline attributable to enforcement is unknown. Enhanced border enforcement also may have contributed to a number of secondary costs and benefits. To the extent that border enforcement successfully deters illegal entries, such enforcement may reduce

# Download File PDF The Uality

border-area violence and migrant deaths, protect fragile border ecosystems, and improve the quality of life in border communities. But to the extent that aliens are not deterred, the concentration of enforcement resources on the border may increase border area violence and migrant

# Download File PDF The Uality

deaths, encourage unauthorized migrants to find new ways to enter illegally and to remain in the United States for longer periods of time, damage border ecosystems, harm border-area businesses and the quality of life in border communities, and strain U.S. relations with Mexico and Canada.

# Download File PDF The Uality Of Migration

The upheavals of the Arab Spring grabbed the world's immediate attention, and concern quickly grew over their potential aftermath, with the fear that a 'tidal wave' of immigrants and refugees would 'flood' European territory. The Arab Spring has highlighted the Mediterranean as a

# Download File PDF The Uality

migration region, and new research is now required to bring to light too often neglected mobility patterns and border practices that predate and outlast the tumultuous spring of 2011. The edited volume *Space, Mobility and Borders in the Western Mediterranean* tackles these contemporary issues

# Download File PDF The Uality

related to migration in the Mediterranean region. It brings together high-quality, original academic contributions from both empirical and theoretical points of view by scholars from diverse disciplines, who draw upon Anglophone, Francophone, Spanish and Italian research. It reexamines borders in

# Download File PDF The Uality

the light of a now full-blown body of literature that seeks to capture the complexity of their contemporary features beyond their most direct visual enactments, in particular the sweeping deployment of policing devices and operations along the North/South fault line. Another distinctive binding thread in this book is

# Download File PDF The Uality

that it emphasizes migrants as active subjects interacting with local events, national policies and the bordering process. Offering an examination of the intricate interplay among the events of the Arab Spring, migration's multiple types and actors, and the evolving relationship between migration

# Download File PDF The Uality

control and borders in the region, this book is an essential resource for students and scholars of migration studies, European Union Studies and Mediterranean Studies.

## Transdiscipli

Border enforcement is a core element of the Department of Homeland Security's (DHS's) effort to control

imposing tougher penalties against certain unauthorized aliens, a set of policies known as "enforcement with consequences." On one hand, robust investments at the border have been associated with a sharp drop in the number of aliens apprehended, especially in the sectors first targeted for

# Download File PDF The Uality

enhanced enforcement.

The number and proportion of people apprehended more than once (recidivists) and those with serious criminal records are also at the lowest levels ever recorded. On the other hand, overall illegal inflows continued to increase in the 20 years after 1986, with the estimated unauthorized

# Download File PDF The Uality

population more than tripling, even after almost 3 million aliens were granted amnesty as part of IRCA. The only significant decrease in unauthorized migration appears to have occurred since 2007, and it is unclear how much of the drop-off is due to increased enforcement and how much is a result of the

# Download File PDF The Uality

U.S. economic  
downturn and other  
systemic factors. At the  
same time, enhanced  
border enforcement may  
have contributed to a  
number of secondary  
costs and benefits. To  
the extent that border  
enforcement  
successfully deters  
illegal entries -- an  
effect that is also  
difficult to measure

# Download File PDF The Uality

since deterrence ultimately involves decisions made in towns and villages far away from U.S. borders -- such enforcement may reduce border-area violence and migrant deaths, protect fragile border ecosystems, and improve the quality of life in border communities. But to the extent that aliens are not

# Download File PDF The Uality

deterred, the concentration of enforcement resources on the border may increase border area violence and migrant deaths, encourage unauthorized migrants to find new ways to enter illegally and to remain in the United States for longer periods of time, damage border ecosystems, harm

# Download File PDF The Uality

border-area businesses and the quality of life in border communities, and strain U.S. relations with Mexico and Canada. This report concludes by raising additional questions about future investments at the border, how to weigh such investments against other enforcement strategies, and the relationship

Download File  
PDF The Uality  
Of Migration  
between border  
enforcement and the  
broader debate about  
U.S. immigration  
policy.

Immigrant Men  
Discussion of Mexican  
migration to the United  
States is often infused  
with ideological  
rhetoric, untested  
theories, and few facts.  
In Crossing the Border,  
editors Jorge Durand

# Download File PDF The Uality

and Douglas Massey bring the clarity of scientific analysis to this hotly contested but under-researched topic. Leading immigration scholars use data from the Mexican Migration Project—the largest, most comprehensive, and reliable source of data on Mexican immigrants currently available—to answer such important

# Download File PDF The Uality

questions as: Who are the people that migrate to the United States from Mexico? Why do they come? How effective is U.S. migration policy in meeting its objectives? *Crossing the Border* dispels two primary myths about Mexican migration: First, that those who come to the United States are

# Download File PDF The Uality

predominantly  
impoverished and intend  
to settle here  
permanently, and  
second, that the only  
way to keep them out is  
with stricter border  
enforcement. Nadia  
Flores, Rubén  
Hernández-León, and  
Douglas Massey show  
that Mexican migrants  
are generally not  
destitute but in fact

# Download File PDF The Uality

cross the border because the higher comparative wages in the United States help them to finance homes back in Mexico, where limited credit opportunities makes it difficult for them to purchase housing. William Kandel's chapter on immigrant agricultural workers debunks the myth that these laborers

# Download File PDF The Uality

Of Migration  
Border  
Crossings And  
Mexican  
Immigrant Men  
Intersections  
Transdiscipli

are part of a shadowy, underground population that sponges off of social services. In contrast, he finds that most Mexican agricultural workers in the United States are paid by check and not under the table. These workers pay their fair share in U.S. taxes and—despite high rates of eligibility—they rarely

# Download File PDF The Uality

utilize welfare programs. Research from the project also indicates that heightened border surveillance is an ineffective strategy to reduce the immigrant population. Pia Orrenius demonstrates that strict barriers at popular border crossings have not kept migrants from entering the United

# Download File PDF The Uality

States, but rather have prompted them to seek out other crossing points. Belinda Reyes uses statistical models and qualitative interviews to show that the militarization of the Mexican border has actually kept immigrants who want to return to Mexico from doing so by making them fear that if they

# Download File PDF The Uality

leave they will not be able to get back into the United States. By replacing anecdotal and speculative evidence with concrete data, *Crossing the Border* paints a picture of Mexican immigration to the United States that defies the common knowledge. It portrays a group of committed workers, doing what

# Download File PDF The Uality

they can realize the dream of home ownership in the absence of financing opportunities, and a broken immigration system that tries to keep migrants out of this country, but instead has kept them from leaving.

In *Border and Rule*, one of North America's foremost thinkers and

# Download File PDF The Uality

immigrant rights  
organizers delivers an  
unflinching examination  
of migration as a pillar  
of global governance  
and gendered racial  
class formation. Harsha  
Walia disrupts easy  
explanations for the  
migrant and refugee  
crises, instead showing  
them to be the inevitable  
outcomes of the  
conquest, capitalist

# Download File PDF The Uality

globalization, and climate change that are generating mass dispossession worldwide. *Border and Rule* explores a number of seemingly disparate global geographies with shared logics of border rule that displace, immobilize, criminalize, exploit, and expel migrants and refugees. With her keen ability to

# Download File PDF The Uality

connect the dots, Walia demonstrates how borders divide the international working class and consolidate imperial, capitalist, and racist nationalist rule.

Ambitious in scope and internationalist in orientation, *Border and Rule* breaks through American exceptionalist and liberal responses to the migration crisis and

# Download File PDF The Uality

cogently maps the  
lucrative connections  
between state violence,  
capitalism, and right-  
wing nationalism  
around the world.  
Illuminating the brutal  
mechanics of state  
formation, Walia  
exposes US border  
policy as a product of  
violent territorial  
expansion, settler-  
colonialism,

# Download File PDF The Uality

of Migration, and  
gendered racial  
ideology. Further, she  
compellingly details  
how Fortress Europe  
and White Australia are  
using immigration  
diplomacy and  
externalized borders to  
maintain a colonial  
present, how temporary  
labor migration in the  
Arab Gulf states and  
Canada is central to

# Download File PDF The Uality

citizenship regulation  
and labor control, and  
how racial violence is  
escalating deadly  
nationalism in the US,  
Israel, India, the  
Philippines, Brazil, and  
across Europe, while  
producing a disaster of  
statelessness for  
millions elsewhere. A  
must-read in these  
difficult times of war,  
inequality, climate

# Download File PDF The Uality

change, and global health crisis, *Border and Rule* is a clarion call for revolution. The book includes a foreword from renowned scholar Robin D. G. Kelley and an afterword from acclaimed activist-academic Nick Estes.

The Qualities of a Citizen traces the application of U.S.

# Download File PDF The Uality

immigration and naturalization law to women from the 1870s to the late 1960s. Like no other book before, it explores how racialized, gendered, and historical anxieties shaped our current understandings of the histories of immigrant women. The book takes us from the first federal immigration restrictions against

# Download File PDF The Uality

Asian prostitutes in the 1870s to the immigration "reform" measures of the late 1960s. Throughout this period, topics such as morality, family, marriage, poverty, and nationality structured historical debates over women's immigration and citizenship. At the border, women immigrants,

# Download File PDF The Uality

immigration officials, social service providers, and federal judges argued the grounds on which women would be included within the nation. As interview transcripts and court documents reveal, when, where, and how women were welcomed into the country depended on their racial status, their roles in the

# Download File PDF The Uality

family, and their work skills. Gender and race mattered. The book emphasizes the comparative nature of racial ideologies in which the inclusion of one group often came with the exclusion of another. It explores how U.S. officials insisted on the link between race and gender in understanding

# Download File PDF The Uality

America's peculiar brand of nationalism. It also serves as a social history of the law, detailing women's experiences and strategies, successes and failures, to belong to the nation.
