An introspective and beautiful dual memoir by the #1 New York Times bestselling novelist and her daughter. Look out for Ann Kidd Taylor's new novel, *The Shark Club*, which will be published in June 2017. Sue Monk Kidd has touched millions of readers with her novels *The Secret Life of Bees* and *The Mermaid Chair* and with her acclaimed nonfiction. In this intimate dual memoir, she and her daughter, Ann, offer distinct perspectives as a fifty-something and a twenty-something, each on a quest to redefine herself and to rediscover each other. Between 1998 and 2000, Sue and Ann travel throughout Greece and France. Sue, coming to grips with aging, caught in a creative vacuum, longing to reconnect with her grown daughter, struggles to enlarge a vision of swarming bees into a novel. Ann, just graduated from college, heartbroken and benumbed by the

classic question about what to do with her life, grapples with a painful depression. As this modern-day Demeter and Persephone chronicle the richly symbolic and personal meaning of an array of inspiring figures and sites, they also each give voice to that most protean of connections: the bond of mother and daughter. A wise and involving book about feminine thresholds, spiritual growth, and renewal, *Traveling with Pomegranates* is both a revealing self-portrait by a beloved author and her daughter, a writer in the making, and a momentous story that will resonate with women everywhere.

The authors describe their introspective journeys to Greece and France, during which they reconnected while Sue grappled with midlife challenges and writer's block and Ann struggled with heartbreak and post-college career questions.

TRAVELLING WITH POMEGRANATES is a touching and perceptive memoir about mothers and daughters that will resonate with women of all ages. From Sue Monk Kidd, the New York Times bestselling author of *THE SECRET LIFE OF BEES* and *THE INVENTION OF WINGS*, and her daughter Ann Kidd Taylor. Sue Monk Kidd and her daughter Ann chronicle their travels together at a time when each had reached an important turning point in her life. What emerged was a quest for Ann and Sue to redefine themselves and also rediscover one

Read Book Traveling With Pomegranates A Mother Daughter Story Sue Monk Kidd

other. Against the backdrop of the sacred sites of Greece, Turkey and France, Sue grapples with the problem of how to expand her vision of swarming bees into the novel that she feels compelled to write, whilst newly raduated Ann ponders the classic question of what to do with her life. What readers are saying about Travelling with Pomegranates: 'Wise, moving and beautiful' 'A thought provoking read' 'Magical, revealing and inspiring' 'Wonderful writing'

'Travelling with Pomegranates' is an engrossing, touching and uplifting travel memoir from the critically-acclaimed New York Times bestselling author, Sue Monk, and her daughter, Ann Kidd Taylor.

"A quintessential summer read." -Marie Claire
A warm and wonderfully vivid novel about taking second chances—in life and in the sea
One summer day on the beach in Florida, two extraordinary things happen to Maeve Donnelly. First, she is kissed by Daniel, the boy of her dreams. Then, she is bitten by a blacktip shark. Eighteen years later, Maeve has thrown herself into her work as a world-traveling marine biologist discovering more about the minds of misunderstood sharks. But when Maeve returns home to the legendarily charming and eccentric Hotel of the Muses where she was raised by her grandmother, she finds more than just the blood orange sunsets and key lime pies she's missed waiting for

her. While Maeve has always been fearless in the water, on land she is indecisive. A chance meeting on the beach with a plucky, irresistible little girl who is just as fascinated by the ocean as Maeve was growing up leaves her at a crossroads: Should she rekindle her romance with Daniel, the first love she left behind when she dove into her work? Or indulge in a new romance with her colleague, Nicholas, who turns up in her hometown to investigate an illegal shark-finning operation? Set against the intoxicating backdrop of palm trees, calypso bands, and perfect ocean views, *The Shark Club* is a story of the mysterious passions of one woman's life: her first love and new love; the sea and sharks that inhabit it.

An intensely powerful and moving memoir about genetics, mortality, family, femininity, and the author's battle with cancer After the grief of losing her mother to cancer when Sarah Gabriel was a teenager, she had learned to appreciate "the charms of simple happiness." With a career as a journalist, a home in Oxford, England, a husband, and two young daughters, she was content. But then at age forty-four, she was diagnosed with breast cancer—the result of M18T, an inherited mutation on the BRCA1 gene that had taken the lives of her mother and countless female ancestors. *Eating Pomegranates* is Gabriel's candid and incredibly intimate story of being forced to acknowledge that while you can try

Read Book *Traveling With Pomegranates* A Mother Daughter Story Sue Monk Kidd

to overcome the loss of a parent, you can never escape your genetic legacy. Being diagnosed with the same disease that killed her mother compelled Gabriel to write this story. In her struggle for survival, she recounts the rigors of her treatments and considers the impact of a microscopic piece of DNA on generations of her family's dynamics. She also revisits her past in an effort to reclaim her identity and learn more about the mother who disappeared too early from her life. Beautiful and brutal, *Eating Pomegranates*—like the myth of Persephone and Demeter, which inspires the title—is about mothers and motherless daughters. It is about a woman so afraid of abandoning her children that she is hardly able to look at them, and about the history of breast cancer itself, from early radical surgeries to contemporary medicine. Combining passion, humor, fierce intelligence, and clinical detail, *Eating Pomegranates* is an extraordinary book about an all-too-ordinary disease.

“An extraordinary novel . . . a triumph of insight and storytelling.” —Associated Press

“A true masterpiece.” —Glennon Doyle, author of *Untamed* An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious

approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence

Read Book *Traveling With Pomegranates* A Mother Daughter Story Sue Monk Kidd

her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

From the celebrated author of *The Secret Life of Bees* and the forthcoming novel *The Book of Longings*, a novel about two unforgettable American women. Writing at the height of her narrative and imaginative gifts, Sue Monk Kidd presents a masterpiece of hope, daring, the quest for freedom, and the desire to have a voice in the world. Hetty "Handful" Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke's daughter, Sarah, has known from an early age she is meant to do something large in the world, but she is hemmed in by the limits imposed on women. Kidd's sweeping novel is set in motion on Sarah's eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love. As the stories build to a riveting climax, Handful will endure loss and sorrow, finding courage and a sense of self in the process. Sarah will experience crushed hopes, betrayal, unrequited love, and ostracism

Read Book *Traveling With Pomegranates* A Mother Daughter Story Sue Monk Kidd

before leaving Charleston to find her place alongside her fearless younger sister, Angelina, as one of the early pioneers in the abolition and women's rights movements. Inspired by the historical figure of Sarah Grimke, Kidd goes beyond the record to flesh out the rich interior lives of all of her characters, both real and invented, including Handful's cunning mother, Charlotte, who courts danger in her search for something better. This exquisitely written novel is a triumph of storytelling that looks with unswerving eyes at a devastating wound in American history, through women whose struggles for liberation, empowerment, and expression will leave no reader unmoved.

A transcendent tale of a woman's self-discovery—the New York Times–bestselling second work of fiction by the author of *The Secret Life of Bees* and *The Book of Longings* Inside the church of a Benedictine monastery on Egret Island, just off the coast of South Carolina, resides a beautiful and mysterious chair ornately carved with mermaids and dedicated to a saint who, legend claims, was a mermaid before her conversion. When Jessie Sullivan is summoned home to the island to cope with her eccentric mother's seemingly inexplicable behavior, she is living a conventional life with her husband, Hugh, a life “molded to the smallest space possible.” Jessie loves Hugh, but once on the island, she finds herself drawn to Brother Thomas, a

Read Book *Traveling With Pomegranates* A Mother Daughter Story Sue Monk Kidd

monk about to take his final vows. Amid a rich community of unforgettable island women and the exotic beauty of marshlands, tidal creeks, and majestic egrets, Jessie grapples with the tension of desire and the struggle to deny it, with a freedom that feels overwhelmingly right, and with the immutable force of home and marriage. Is the power of the mermaid chair only a myth? Or will it alter the course of Jessie's life? What happens will unlock the roots of her mother's tormented past, but most of all, it will allow Jessie to discover selfhood and a place of belonging as she explores the thin line between the spiritual and the erotic.

The multi-million bestselling novel about a young girl's journey towards healing and the transforming power of love, from the award-winning author of *The Invention of Wings* and *The Book of Longings* Set in South Carolina in 1964, *The Secret Life of Bees* tells the story of Lily Owens, whose life has been shaped around the blurred memory of the afternoon her mother was killed. When Lily's fierce-hearted black "stand-in mother," Rosaleen, insults three of the deepest racists in town, Lily decides to spring them both free. They escape to Tiburon, South Carolina--a town that holds the secret to her mother's past. Taken in by an eccentric trio of black beekeeping sister, Lily is introduced to their mesmerizing world of bees and honey, and the Black Madonna. This is a remarkable
