and discusses selected Bible documentaries and academically informed dramatizations of the Bible. With a major focus on recent productions in UK mainline television within the past 15 years, the contributors also engage with productions from the USA. After a critical introduction by Helen K. Bond,

Read Free Tv Guide Nz Week

charting and reflecting on the use of the Bible on television in recent years, the book falls into three sections. First, a number of influential filmmakers and producers, including Ray Bruce and Jean-Claude Bragard, discuss their work in relation to the context and constraints of television - especially religious

television - programming. The volume then moves to reflections of various academics who have acted as 'talking heads', historical consultants and presenters, allowing discussion of different aspects of the process, including the extent to which they had influence and how their contributions were used.

Read Free Tv Guide Nz Week

Finally, a number of scholars assess the finished products, discussing what they tell us about the modern reception of the Bible, with additional consideration of how these productions influence biblical scholars and contribute to the scholarly agenda.
