Many people can use the iPad well enough, but they aren't having the amazing experience that they should be. They sell themselves short. They can't find their stuff. They scroll when they could tap. They put up with a cacophony of noisy notifications. They miss important email messages. They watch video on the iPad when they could stream it to an Apple TV. They turn on the wrong settings for the wrong reasons. They need help... even if they don't realize that they do. With 226 detail-packed pages, Take Control of Your iPad is on an unstoppable quest to make your iPad experience delightful.

Eight months in advance, one eccentric genius predicted the start of history's greatest bull market-accurate to within 17 days and 7 Dow Jones points. Then, days before his death, he called its end-precisely. Louis Rukeyser called him "uncannily accurate." The Stock Traders Almanac called his work "the finest long-term forecast we have ever seen." Honored by his peers, admired for his profound knowledge of history and markets, George Lindsay is now nearly forgotten. Much of his most significant research has been relegated to yellowing, typed newsletters. Until now. In George Lindsay and the Art of Technical Analysis, Ed Carlson demonstrates the immense power of Lindsay's methods in today's markets. Using visual models, Carlson explains Lindsay's models clearly, simply, and intuitively. Using this book, investors and traders can apply these techniques without strong mathematical expertise, and without deciphering Lindsay's dense writing style. Carlson walks through using Lindsay's "Three Peaks and a Domed House" model to uncover surprising patterns in "haphazard" short-lived movements... using Lindsay's "Timing Method for Traders" to identify tradeable market tops and get out of bull markets in time... predicting "decisive, often violent" market movements, and more. This book is an indispensable addition to any technical analysis library-and every technician's trading arsenal. Awarded "Best Investment Book of the Year" - Stock Traders Almanac 2012

For anyone thinking of exploring a mobile lifestyle, figuring out how to best keep online while exploring the world offline becomes critically important. In this handbook, we help you assess your internet needs, set your expectations to realistic, explain the challenges of mobile connectivity and overview the options of cellular, Wi-Fi and satellite.The book is written for the non-technical internet surfer to the high-tech geek - we strive to balance using every day language and examples to explain complex topics, while keeping things technically accurate. This book is meant to be a primer to the foundation of mobile internet as a US based nomad, and complements the more in-depth guides, product overviews and constantly updated resources on our accompanying website (much of which is free, but we do have member exclusive content too which is not included with the purchase of this book.)Our goal is to make this stuff comprehensible so you can enjoy a thriving life on the road with a minimal of technical frustrations, and still able to afford the fuel that propels your adventures! This stuff is constantly changing, and we keep it up to date on our accompanying website and provide additional services, such as our premium membership group with more in-depth content, reviews, tutorials, webinars and Q&A forums. We highly recommend at least joining our free e-mail newsletter or subscribing to our RSS feed to keep in the know. Details are in the book on doing that. Also check our free annual update guides that overview all the major developments each year that will update this book - there is a link in the beginning of the book to that page. (Have a previous edition? It has been 2 years since the last edition of this book was released - and a lot has changed. If you're still in your research phase, then we definitely recommend starting out with the 5th Edition. However, the 5th Edition is also a brand new approach to the topic, focused more on the foundations of mobile internet. It does not go into details on the specifics - and is more focused on what to keep an eye out for when shopping. If you already have a solid foundation on your needs and the basics of the options and are ready to dive into the specifics, then you might prefer to skip ahead to our more in-depth guides online.We have no affiliation or financial ties with any of the products we mention throughout the book or website... we strive to provide unbiased information for nomads, by nomads. And we can only do that through the support of our premium members.

1 copy of the Basic Life Support (BLS) For Healthcare Providers Instructor Manual (90-1036), 1 Basic Life Support (BLS) For Healthcare Providers Course And Renewal Course DVD (90-1035), 1 copy of the Basic Life Support (BLS) For Healthcare Providers Student Manual (90-1038), and 1 American Heart Association Stopwatch (90-1509).

Whether you're downsizing or thrill-seeking-or anything in between-find out if the RV lifestyle is right for you, and learn how to transition from a life of traditional home-ownership to one on the road. Do you love traveling? Meeting new people and seeing new places? Are you craving a life that feels meaningful and new? The RV lifestyle could be the answer. Both aspirational and practical, Living the RV Life is your ultimate guide to living life on the road-for people of all ages looking to downsize, travel, or work on the go. Learn if life in a motor home is right for you, with insightful details on the experiences of full-time RV-ers, tips for how to choose an RV (how big? new or used?), whether to sell your home (and if not, what to do with it), model costs, sample routes and destinations, basic vehicle maintenance, legal and government considerations-and much more! Written in a light and an easy-to-understand style, Living the RV Life is your bible to living a mobile life.

Hit the road and experience the wonders of RVing with these useful tips and tricks to make RV life easier, more organized, more efficient, and fun! Welcome to RV life! Whether you're a first-timer or an experienced RVer, these RV hacks are sure to make life on the road easier so you can worry less and have more fun. From ingenious organizational hacks (like broom holders to keep flashlights at the ready or suction cup shower organizers to corral kids' activity supplies) to ideas for repurposing plastic bottles to make a funnel or pancake batter mixer, RV Hacks has everything you need to make your next cross-country caravanning adventure carefree.

The style guru and author of Freakin' Fabulous shows you how to have it all-haute fashion, food and décor-at bargain-basement prices. As co-host of TLC's popular What Not to Wear and ABC's The Chew, Clinton Kelly is constantly helping his guests look and feel their best. Now he's going to share his secrets for making every part of your life more fabulous-whether you want to make over your wardrobe, add glamour to your next soiree, or brighten up that dingy bathroom-even if there's no room in your budget. After all, Freakin' Fabulous doesn't have to come at a price-if you have Clinton in your corner. Filled with pages of full-color photography, helpful advice, and numerous ideas for styling, partying, and better living, this book will make you the envy of everyone on the block without emptying your bank account. As Kelly does out wit and wisdom on everything from thrift store sprees to proper dinner etiquette, he playfully reminds you that you don't need to be a movie star to live like one-as long you shop smartly. Remember, anybody can be fabulous-it's not the size of your funds but how you use them.

For anyone who wants to learn the fundamentals of branding in an approachable way without poring over dense text or hiring an expensive consultant, Star Brands presents a unique model that offers structured guidance and professional tips for building, managing, and marketing any brand. Created by savvy brand manager Carolina Rogoll, the star brand model is a perfect intersection of solid marketing and management theory with an approachable, visually oriented design. The author teaches step-by-step how to assess a brand's unique challenge, how to define the brand's equity and target, how to craft a solid brand growth strategy, and how to measure success once the brand is in the marketplace. The book includes case studies from famous star brands as well as interviews with top business school professors, advertising agency leaders, and former CEOs. Topics covered include the star brand model; leaders behind star brands; brand assessment and goal setting; defining brand equity; selecting a brand target; insights, benefits, ideas; theory from the best marketing and managing resources; marketing strategy; how to build a marketing plan; and much more, including exercise worksheets to practice on! The author combines her experience building brands at the front lines of a big multinational company with top-notch marketing and management theory. What results is an ideal primer for anyone seeking structured guidance on building a brand for a client, managing a brand, or even starting a brand for oneself. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.
