Op. 105 is a delightful collection of 'melodious and brilliant' character studies reminiscent of Mendelssohn's Songs without Words. Although written to develop the flexibility of the hands, they also display beautiful lyric qualities. The pieces may be used as a sequel to Burgmüller's 18 Characteristic Studies, Op. 109.

An updated handbook provides a definitive overview of the latest digital techniques for recording music both on location and in recording studios, covering equipment selection and use, acoustics, microphone techniques, and analog and digital recording, as well as all new coverage of digital recording technology and techniques, a detailed instrument frequency range chart, special sound effects, and more. Original. (Intermediate)

Raindrops on roses and whiskers on kittens, Bright copper kettles and warm woolen mittens... "My Favorite Things," Rodgers and Hammerstein's beloved song from The Sound of Music, has captured the hearts of children young and old for generations. Its magical images -- cream-colored ponies and girls in white dresses -- paired with its lilting rhyme, never fail to delight. Now acclaimed illustrator Renee Graef gives this classic song new meaning with heartwarming full-color illustrations Of a loving family and their life throughout the course of a year. Complete with the score of the song, My Favorite Things is both a wonderful book for families to share and a gorgeous keepsake to cherish.

(Piano Solo Sheets). This sheet music features an intermediate-level piano solo arrangement of the beloved Beethoven work.

The perfect introduction to the electronic keyboard, and ideal for the absolute beginner getting started with their first instrument. With absolutely no musical knowledge required, this simple yet comprehensive guide is perfect for adults and children alike.

Thirty-five years of organ teaching and years of research as a musicologist have made Gleason's guide one of the most reputable and well-documented of its kind on the market today, providing future organists with the musical and technical foundation necessary for mastering the fine art of organ playing. Reflecting the latest principles of techniques and interpretation, it offers clear, basic instruction, providing users with a solid foundation and practical start to a lifetime profession in organ playing. Supporting technical practice with important and applicable background musical information, it includes a new section "An Outline of Study for the Beginning Organist" which shows users how to use the book in the most efficient manner to achieve their particular career goal. Also available in Braille for use in schools for the blind. Ideal resource manual for organ faculty and those interested in a background study of organ playing.
